« Wow. This is really structured and sizzling with dark fruit, such as blackberries and blueberries. Salty, racy aftertaste. The tannins are energetic and so long, driving the wine through an almost endless finish. Lots of old vines used for this. »

« Dark purple colour with violet hue and almost black core. Opulent nose with expressive character, multi-layered with aroma reminiscent of ripe blackberries and black cherries, discreet floral tones, vanilla and fine toasting. Elegant minerality showing up. On the palate well structured with balanced with ripe and juicy fruit, powerful yet refined and elegant with wonderful tension. A great wine which seems to top de 2022 vintage. »

« The 2023 Hosanna is a classic wine from this property, Rich, ample and explosive, the 2023 offers up copious dark-toned fruit, mocha, new leather, licorice and chocolate notes. As always, Hosanna is marked by its textural breadth, volume and dark flavor profile conferred by old vines planted in the mid 1950s, just after the 1956 frost. Of the 4.5 hectares, one was replanted in the early 2000s. The 2023 is a fine example. »

« It is as if 99 violets are blooming simultaneously, and their gentle fragrance is enriched with a hint of sea salt... Château Hosanna 2023 is ideal for a seaside proposal, a smart move for the clever romantics. This wine bursts with an irrepressible vitality, making the already tender Château Hosanna appear even more youthful. The creamy blueberries are pretty rich, and the violets are nicely graceful. When they come together on the palate, they evoke the image of the legendary Yu Ji. »

« Couleur noire. Nez intense, fin, au fruité mûr. Minutieux en entrée de bouche, avec de suite de la classe dans le toucher, le vin caresse le palais. Il évolue à la fois longiforme et charnu, vers une finale à la tannicité précise et noble. De la distinction et de la race. Superbe réussite. »

« Nez terrien avec un tannin dense et intense qui gagne en complexité au fil du temps. On a une texture crémeuse avec une finale bien assise construite par les 26 % de cabernet franc. »

« Milk chocolate, vanilla, violets, so much perfume and dark black bramble fruit on the nose. Rich, full, supple and juicy with a nice shot of not-too-high acidity, before the really quite present tannins take over and fill the mouth. Plush and ample, this is broad and fully shouldered, and in that respect maybe not as finessed and direct as some, but I like the structure. This will be delicious. Stylish and confident. I love the menthol, blackcurrant juice and fleshy tannins. Ends long and so cool and fresh. Great stuff. »

« The 2023 Hosanna is deep garnet-purple in color. Gregarious notes of boysenberry preserves, ripe plums, and wild blueberries jump from the glass, followed by hints of violets, dark chocolate, and camphor. The medium to full-bodied palate has impressive density and plushness, with lovely tension and a fragrant finish. »

« Rich and gourmand, the 2023 Hosanna wafts from the glass with aromas of ripe berries, baked red fruits and cherries, framed by hints of fresh mint and creamy new oak. Medium to full-bodied, velvety and layered, it's a rich, textural wine with a ripe core of slightly liqueured fruit, supple tannins and a long, vanillin-inflected finish. »

90-92 pts - *Ella Lister*

« Un nez gourmand et surtout très lisible : on sent des effluves de confiture de fraise infusée dans des gousses de vanille et de cassis compoté. En bouche, c'est tout de suite plus tendu et plus acidulé, le vin prend un caractère minéral, puis en finale on retrouve cette gourmandise avec de la prune écrasée et de la figue séchée. »
