Exclusive bottle designed by Zuccardi
for the family's top wines

The new label created to better work with this new bottle, emphasizes the origin of this wine:

A land that was the first vineyard planted in the Uco Valley by the Zuccardi family, at the foothills of the Andes Mountains.

A high altitude vineyard with calcareous soils.

Un-oaked, elegant and balanced Malbec vinified by Sebastian Zuccardi. A vehicle to express the place (Paraje Altamira), its history and vintage.

A wine that draws us back to the past and builds the future for the great wines of the region.
