

## Vineyard

One of the oldest estates in Pomerol.

10 hectares on the plateau, around the cellar and the church of Pomerol.

Old vines and unique terroir, composed of gravel and ferruginous clays.

A fully mapped vineyard, identifying each vine.

High proportion of Cabernet Sauvignon, with 25% and 75% Merlot.

## Vintage

A cloudy start to the summer, with an ideally warm and dry end of the season,

An early harvest (one week earlier than average), bunches carrying many grapes, healthy and at good maturity,

A «neo-classical» vintage, offering a very aromatic, vibrant and intense wine of great purity.

Consecrated by customers and the international press.

## Distribution

90% of the production is sold En Primeur, with around 45,000 bottles.

International distribution in 50+ countries:

60% Europe, 20% North America, 15% Asia and Oceania, 5% Middle East.

Little stock at the property and in the stores.

Valorization of wines over time.

## Anecdotes

Historic estate whose name embodies a hamlet in Pomerol.

A family run property, managed by Monique and Ronan Laborde.

Ronan Laborde is also President of the Union des Grands Crus (UGCB).

A packaging distinguished by its bright red color and personalized bottle, wrapped in paper.
