Clos Puy Arnaud 2023

A Grand Clos Puy Arnaud of fruit and ageing potential, with a blend of 50% Cabernet (45% Cabernet Franc - 5% Cabernet Sauvignon) and 50% Merlot.

"This estate has consistently enhanced its quality over the years, and 2023 marks a peak vintage at this address. The 2023 Clos Puy Arnaud possesses a fresh, dense bouquet with aromas of blueberry, violet, spices, pencil lead and licorice, followed by a medium to full-bodied, rich and dense, deep and concentrated palate framed by perfectly ripe, velvety tannins with bright acids that segues into a long, powerful but elegant finish. This blend is a real success. Wine Advocate : 91-93"

Clos Puy Arnaud competes at the highest level with a significantly lower price than the 2019's. One of the best value-for-money wines of the vintage.
