CLOSURE: Screw Cap

BOTTLE VOL : 75cl

SERVING TEMP: 6° - 8°C

Organic Wine

THE WINE

Our Rambla rosé wine shows the fresh and lively character, essence of the Mediterranean. A refreshing, aromatic and versatile wine that will pair exceptionally with many special moments.

WINE MAKING

To create this wine, we have used different varieties of red grapes where Black Grenache predominates, a variety that adapts perfectly to the Mediterranean climate due to its freshness and acidity and thus provides balance and character. All the grapes come from selected and organic vineyards. It works with cold film maceration to extract aromas and color, gently pressing for a maximum yield of 50%. The must ferments at a controlled temperature, which allows us to preserve the essence of the varieties and the aromatic expression to the maximum.

TASTING

COLOR: Very pale rosé petal color with bluish reflections.

AROMA: Fresh wine with a fruity aroma. With a start where the notes of white and citric pulp fruit (sour apple and bergamot) stand out and in a second layer the notes of fleshy red fruits (strawberry and plum) gain strength, rounded off by notes of sweet fruits, which makes it very sweet on the nose.

TASTE: Dry and fresh, with a good acidity that melts very delicately and leaves us with a good long and persistent mouthfeel, which invites repeating.
